

Syndicated Boat Ownership

New Silverton 36 Available Summer 2011

We are excited to announce the launch of our Silverton Motor Yacht Syndicate on Sydney Harbour.

The new Silverton 36 has a striking modern appearance. She is a dream to drive with plenty of power from the twin D400 Volvo diesels. Berthing, anchoring and manoeuvring at slow speeds is simple with the IPS docking system.

The cabin features an uncommonly roomy master stateroom accommodating a queen-sized island berth. The second stateroom sleeps two in a bunk arrangement. The main cabin features an ultra leather sofa, settee, and dinette table and has loads of space for entertaining.

The modern and convenient galley is equipped to make you feel at home. A forward windshield and opening and screened salon windows create a light, airy atmosphere.

Yacht syndication is an affordable, enjoyable and convenient way to own a luxury powerboat without all the headaches.

The principle is simple; you buy a share in a beautifully appointed new Silverton 36 and enjoy fully serviced, walk-on walk-off boating. Your yacht will be immaculately maintained by our professional staff, and you will never need to clean or repair your yacht.

Each 10% share, includes a minimum of 33 “maintenance free” boating days per year. Extra days are available on a stand-by basis.

This new Silverton 36 will be berthed at Darling Harbour and available from this summer. The capital cost of a 10% share is \$59,500 and the monthly fee is \$576. This includes all insurance, registration, berthing fees, detailing, and maintenance (excludes fuel charged on usage).

This has to be the most cost effective, hassle free way to enjoy the pleasures of Sydney Harbour and Pittwater on your own luxury boat.

To register your interest in this or subsequent syndicates, or if you do have any questions about this opportunity please contact us at US Yachts. We will be more than happy to assist.
